Global Notes:

This Monthly Operating Report ("MOR") has been prepared solely for the purpose of complying with the monthly reporting requirements applicable in this bankruptcy case. The financial information contained herein is unaudited, limited in scope and as discussed below, not prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

The results of operations contained herein are not necessarily indicative of the results which may be expected from any other period or for the full year and may not necessarily reflect the results of operations, financial position and schedule of receipts and disbursements in the future. The amounts in MOR 3 currently classified as liabilities subject to compromise may be subject to future change as the Debtor completes their analysis of pre and post-petition liabilities. The Debtor cautions readers not to place undue reliance upon the MOR. There can be no assurance that such information is complete and the MOR may be subject to revision.

The Debtor filed bankruptcy on Thursday September 6, 2018

I declare under penalty of perjury (28 U.S.C. Section 1746) that this report and the attached documents are true and correct to the best of my knowledge and belief.

Notes:

- [1] The unaudited financial statements have been derived from the books and records of the Debtor. The information furnished in this report includes primarily normal recurring adjustments, but not all of the adjustments that would typically be made for the annual financial statements in accordance with US GAAP. Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtor applies in the preparation of its annual financial information in accordance with US GAAP. Accordingly, upon the application of such procedures, the financial information may be subject to change and that these changes could be material.
- [2] The \$200,000 of operating revenue at Open Road International LLC relates to foreign sales which have traditionally been recognized at Open Road International. Film costs related to this film are amortized at Open Road Films, LLC.
- [3] The \$6,500 positive amount in Cost of Revenue for Open Road International, LLC reflects the reversal of an accrual in a prior period, which should have been accrued at Open Road Films, LLC.
- [4] Restructuring Costs include an adjustment of known applied pre-petition amounts to retainer balances of restructuring professionals (\$0.2M) and accruals for September Restructuring Costs estimated by the Debtors (\$1.9M); actual September Restructuring Costs for certain professionals are not known at this time and may materially change this amount. As amounts become known, adjustments will be made in future months.

Notes:
 [1] The amounts listed for Property and Equipment are the book value of the assets net of depreciation; the Debtors have not analyzed the salvage value of any property and equipment.
 [2] The Debtor is in the process of reviewing accounts payable and liabilities; therefore, these figures may be subject to change.
 [3] The negative Other Accrued Liability for Open Road International, LLC is driven by an intercompany receivable with Open Road Films, LLC.
 [4] As set forth in the Schedules of Assets and Liabilities filed by the Debtors, the collateral value for the Notes Payable is undetermined.
