02/20/2019	461	Order Deferring Debtor's Motion for Approval of a Settlement with McKesson Corporation Inc. Pursuant to Federal Rule of Bankruptcy Procedure 9019 Filed by Debtor (Related Doc # 229). The motion is Deferred. Movant has failed to file a certificate of service pursuant to Order #398. By February 25, 2019, debtor's counsel shall file the certificate of service as required by order #398 OR re-notice the motion with a new 9013 notice if proper notice has not been provided. ORDERED by Judge Thomas L. Saladino. (Text Only Order) (law) (Entered: 02/20/2019)
02/20/2019	462	Order Denying Debtor's Motion for Order (I) Compelling Hy-Vee, Inc., to Perform its Obligations Under the Purchase and Sale Agreement, (II) Enforcing the Automatic Stay, and (III) Granting Related Relief (Related Doc # 457) AND Order Denying Debtor's Motion to Expedite Hearing and Shorten Time (Related Doc # 458). The motions at Fil. #'s 457 and 458 are denied, without prejudice. Notwithstanding the effusive language of the motions, it is clear that a dispute has arisen regarding the terms of a pre-petition contract under which the seller is the Debtor and Hy-Vee is the buyer. Debtor's motion to compel appears to be, in reality, a request for a mandatory injunction requiring Hy-Vee to perform its obligations as purchaser. Bankruptcy Rule 7001(7) requires "a proceeding to obtain an injunction or other equitable relief" to be brought as an adversary proceeding. ORDERED by Judge Thomas L. Saladino (Text Only Order) (law) (Entered: 02/20/2019)
