(1) The Plan Administrator was retained Post-Effective Date of the confirmed Plan, and thus, did not and could not represent or warrant the accuracy of these numbers, which have been taken from the Disclosure Statement. To the extent there is any discrepancy between the numbers listed in this column and the Disclosure Statement, the Disclosure Statement shall control as it is incorporated herein by reference.

(2) To date, the Plan Administrator has, among other things, sold real estate, negotiated loan terms, monetized the performing loans in the Debtor's loan portfolio, and resolved certain litigation. The Plan Administrator believes, in his business judgment, that the projected date for the entry of a final decree in this case is subject to, among other things, the following events: (i) the conclusion of pending litigation around the United States that is seeking to recover monies on behalf of the estate; (ii) the monetization of the unsold loan portfolio; and (iii) the reconciliation of claims. Based on the facts available at this time, the Plan Administrator believes that the date of the entry of the final decree may be on or before December 31, 2018; however, the actual date of the entry of the final decree may be later than this date.
