EDUCATION SCHEDULE

Keynote Speaker – The Honorable Willie L. Brown, Jr.

Two-term Mayor of San Francisco, legendary Speaker of the California State Assembly, and widely regarded as the most influential African-American politician of the late twentieth century, Willie L. Brown, Jr., has been at the center of California politics, government, and civic life for an astonishing four decades. His career spans the American Presidency from Lyndon Johnson to George W. Bush, and he's worked with every California Governor from Pat Brown to Arnold Schwarzenegger. From civil rights to education reform, tax policy, economic development, health care, international trade, domestic partnerships, and affirmative action, he's left his imprimatur on every aspect of politics and public policy in the Golden State. As Mayor of California's most cosmopolitan city, he refurbished and rebuilt the nation's busiest transit system, pioneered the use of bond measures to build affordable housing, created a model juvenile justice system, and paved the way for a second campus of the University of California, San Francisco, to serve as the anchor of a new development that will position the City as a center for the burgeoning field of biotechnology. Today, he heads the Willie L. Brown, Jr., Institute on Politics and Public Service, where this acknowledged master of the art of politics shares his knowledge and skills with a new generation of California leaders.

One eligible bachelor, who may or may not be a bankruptcy judge, will choose from among three eligible “bachelorettes,” based on their responses to questions inspired by recent Ninth Circuit and Ninth Circuit BAP cases. Saturday Artesa Winery Dinner

Set high into a hilltop with panoramic views of Napa Valley, San Francisco Bay and its own estate vineyards, it's easy to see why Artesa is called the Jewel of Carneros. Owned by the Raventos family of Spain, whose winemaking history dates to the mid-sixteenth century, the winery takes its name from the Catalan word for "handcrafted." Today, Artesa focuses on producing small, ultra-premium lots of the varietals for which the Carneros and the Napa Valley are best known - Chardonnay, Pinot Noir, Merlot and Cabernet Sauvignon.

These fine wines will be paired with a Spanish inspired 4-course meal set in the working barrel room. The facility will be transformed to create an ambiance to inspire great conversation with new and longtime friends over dinner. Bussing to and from the event will be provided so you can fully enjoy the wines.

The Saturday Dinner is for adults only. Childcare can be arranged through the host hotel at 855-890-3705.
